STEEL MANUFACTURING COMPANIES

*286. SHRI RAJESH VERMA:

Will the Minister of STEEL be pleased to state:

- (a) the details of Government run/private companies involved in manufacturing steel, State/district-wise;
- (b) the outcome/comparative study chart of private/Government-owned PSU steel companies during the last five years regarding turnover, profit/loss, expenditure, manpower, audit reports etc.;
- (c) the details of comparative management as well as financial strategies of the said companies;
- (d) whether private-owned steel companies are making strong profit and Government/PSU steel companies are incurring losses and if so, the reasons therefor; and
- (e) whether any instructions/guidelines have been issued to the Government sector buyers to purchase steel or steel made products preferably from Government/PSU steel companies and if so, the details thereof?

ANSWER

THE MINISTER OF STEEL

(SHRI DHARMENDRA PRADHAN)

(a)to(e): A Statement is laid on the Table of the Lok Sabha.

STATEMENT REFERRED TO IN REPLY TO PARTS (A) TO (E) OF THE LOK SABHA STARRED QUESTION NO. *286 FOR ANSWER ON 09/12/2019 ASKED BY SHRI RAJESH VERMA, MEMBER OF PARLIAMENT REGARDING “STEEL MANUFACTURING COMPANIES”

(a) The details of Government run/private companies involved in manufacturing steel, State/district wise is given at **Annexure I**.

(b)to(d): Details of last five years of Steel Central Public Sector Undertakings(CPSEs) regarding Turnover, Expenditure, Profit, Manpower & Audit Reports are given at **Annexure II**. As regards the private sector steel plants, it is stated that steel is a deregulated sector and the data/information in this regard is not maintained by the Government. The role of the Government is that of a facilitator which lays down broad policy guidelines for creating conducive environment for improving efficiency and performance of the Steel Sector. The Steel companies both public and private, enjoy operational and financial autonomy. The managerial and financial strategies are made by the individual companies from time to time, based on the commercial considerations and market dynamics.

(e) Domestically Manufactured Iron & Steel Products Procurement Policy (DMI&SP) mandates to provide preference to domestically manufactured steel products both from public and private sector in Government procurement.
